

1. LUCY: Our Father, who does art in heaven, hallo. Look, please can you put £50 quid in my bank for a train ticket to London. It could quite possibly change my life forever. Thank you, In the name of the father and his son and his holy goat. Amen.

2. GRAMS: THE ZOMBIES – THIS WILL BE OUR YEAR [1 B OUTPUT]

3. SCENE 1. INT. LIVING ROOM. NIGHT

4. FX: FRONT DOOR SLAM [2]

5. SHEILA: (Call upstairs) Sophie, I'm home. Mark my words, that is the last time I shall step foot in that job centre, they're on about a Back to Work scheme now, it's ridiculous, I'm a year off a state pension!

(SHEILA TALKS ON WHILST HAVING DIFFICULTY TAKING OFF HER COAT AND SHOES.)

6. SHEILA She said to me 'have you thought about speaking a foreign language Sheila?' I said 'no, I haven't travelled much, she said "Where's the furthest you've been? I said 'Gatwick'. "Oh well we recommend Chinese Mandarin". I said '*Chinese* Mandarin, you don't recommend German Mandarin then?

1. SOPHIE Have you been drinking?

2. SHEILA I had a sherry in the pub to calm down.

3. SOPHIE I don't think it's worked.

4. SHEILA It's Friday night Sophie, don't get on at me. Chinese mandarin?! Can you believe it.. I said to her... " We live in *Anlaby*, in Hull, even the Chinese family at our takeaway can't speak Chinese".

5. SOPHIE Mother, wait, there's something I've got to tell you; I've got an audition in London, a real one!

6. SHEILA (*Jumps at sight of her*) What's that on your face?!

7. SOPHIE A facemask, I made it with oats.

8. SHEILA It's dripping off your chin.

9. SOPHIE I know. I had to use Ready-Brek.

10. SHEILA Oh great, I'm begging for food and you're wearing it.

11. SOPHIE The audition's on Wednesday and you won't believe this, it's for a film! Didn't I say those drama classes would change my life.

1. SHEILA Yeah.
2. SOPHIE Are you pleased?
3. SHEILA I'm over joyed.
4. SOPHIE It's not a big part but if I got it I'd definitely move down to London.
5. SHEILA Good.
6. SOPHIE There's a few things we'd have to help you with though before I go-
7. SHEILA What like?
8. SOPHIE Well you've got no car have you, how can you do you car boot without a car?
9. SHEILA Oh it's just *my* car boot is it?
10. SOPHIE I've had to explore other avenues and I mean look at us we're-
11. SHEILA -Don't you dare say poor! Don't say poor. Oliver Twist was poor; people in Uganda are poor! We're-

12. FX: POWER CUT. THE ELECTRIC METER RUNS OUT, THE TV SHUTS DOWN [3]

1. SHEILA Oh not again! Have you got any change for the meter?
2. SOPHIE No.
3. SHEILA We'll have to put the emergency on again. Here we go, every week, scrabbling around in the dark like voles, this wasn't how things were meant to be! Help me to the cupboard under the stairs, don't trip-
- (WHILST SHUFFLING TO THE CUPBOARD UNDER THE STAIRS...)*
4. SHEILA (cont) -And we are not poor Sophie we are selective about our investments and expenditure. (Nearly trips up) Ohh, What's that? Oh it's my gorilla. Funny thing. *Do you know* if you pull his banana he sings 'feeling hot, hot, hot'.
5. SOPHIE I know, I nearly choked on me sugar puffs the other day, he goes off for no reason and they've not done his mouth right, he looks ever so odd.

1. SHEILA (Cont) I'll press the buttons, get that torch off the hook-

2. SOPHIE Ahh..

3. SHEILA What's wrong with you?

4. SOPHIE My eyes are stinging.

5. FX: A SOFT TOY SQUEAKS [5]

6. SOPHIE Can all the soft toys go this week.

7. SHEILA There's an art in formulating the right things for a car boot sale.

8. SOPHIE How would you know? You don't let us take most of it. £9.78 we made last time.

9. SHEILA Did you hear that? My heart beating too fast.

10. SOPHIE Why?

11. SHEILA Stress.

12. SOPHIE What from?

1. SHEILA You.

(SOPHIE SIGHS)

2. SHEILA At least we're not common-

3. SOPHIE What?

4. SHEILA -Like the rest of them on this street. No, we could never be common,
we've got good hair you see.

5. SOPHIE Ernie isn't common.

6. SHEILA No he's just odd.

7. SOPHIE And Jean isn't.

8. SHEILA Her mother is, she's got a mouth like a docker- You'd have lovely hair
if you did it the way I told you.

(SHEILA FIDDLES WITH THE METER.)

9. SOPHIE Ahh.

10. SHEILA Will you stop doing that, move that way a bit.

11. FX: OBJECTS CRASH ABOUT, SOFT TOYS SQUEAKS

1. SHEILA I can't bend my neck, just press that arrow twice.
2. SOPHIE Hold these then.
3. SHEILA What are they?
4. SOPHIE Slices of tomato.
5. SHEILA Where have they come from?
6. SOPHIE I had them on my eyes.
7. SHEILA It's cucumbers! You put cucumbers on!
8. SOPHIE I know! We didn't have any.
9. SHEILA People ask, why does she live at home still Sheila?

(SOPHIE PRESSES THE LAST ARROW KEY.)

10. SOPHIE There we are.

11. FX: THE POWER COMES BACK ON. TV COMES BACK ON [9]

1. SHEILA Right, get up. Don't put your weight on the handle, if the door shuts -

4. SOPHIE Oh.

5. SHEILA No, not oh.

6. FX: SOPHIE TRIES THE DOOR. [11]

7. SOPHIE Doesn't it open from the inside?

8. SHEILA No it's on a latch!

9. FX: SHEILA TRIES THE DOOR. [12]

10. SHEILA (Cont) Oh. I don't believe this!!

11. SOPHIE (*Panicked*) It's okay, Jean will be round for her tea soon.

12. SHEILA When did she say?

13. SOPHIE Sometime tonight or next Thursday.

1. SHEILA Next Thursday! Push it with me!

2. FX: THEY TRY THE DOOR AGAIN. [13]

3. SOPHIE I'm sure she'll come tonight, the back door's open!

(SHEILA SIGHS.)

4. SOPHIE (PAUSE) Well since we're here, I might as well tell you that when I'm
down London, I'm going to go and meet my dad.

(SILENCE)

5. SHEILA Is this how you kill me? Lock me in an enclosed space and then
torture me with the 'D' word. You're too short to live in London.

6. SOPHIE I'm 5ft 1!

7. SHEILA Exactly. There's no jobs for girls your size. They go to taller women,
women who put out. That's not something you'd be able to do. Do
you want to be pressured into sex by a middle-aged man with the
promise of a secretarial job in the city?

8. SOPHIE No.

9. SHEILA Well then, stay in Hull with your mother.

1. SOPHIE But I might get the part in this film!
2. SHEILA Is it a big part? Can you live off the earnings till you're 45?
3. SOPHIE No but I thought my dad might y'know, have some contacts, he's hairdresser to the rich and famous isn't he?
4. SHEILA Can you smell toast?
5. SOPHIE No.
6. SHEILA I'm having a stroke then.
7. SOPHIE It's just there's not much going around here.
8. SHEILA No, not if you're locked in a gas cupboard!
9. SOPHIE This is my dream Mother!
10. SHEILA Ring him then.
11. SOPHIE What?

1. SHEILA Ring him. Find the number to his salon in Mayfair or wherever it is and ring him. Say to him 'oh hello you probably won't recognise this voice but you walked out on us 29 years ago. I'm 5 ft 1 and put tomatoes on my eyes but I'd love to meet you'.

(JEAN HAS BEEN STOOD OUTSIDE THE CUPBOARD LISTENING. SHE'S EATING TOAST.)

2. JEAN *(From the other side of the door)* Are you two staying in there all night 'cause I'll go 'ome for me tea if you are?

3. SOPHIE JEAN!? We're locked in.

4. FX: SHE OPENS THE CUPBOARD DOOR. [14]

5. SOPHIE How long have you been stood there?

6. JEAN Dunno.

7. SHEILA Its you with the toast!

8. JEAN Yeah, well once I ascertained that the voices under the stairs were not due to the occult I got a bit peckish

9. SOPHIE Are you watching that Most Haunted again?

10. JEAN Yeah, but only in the day, 'No Derek Acorah after half past foura'.

1. SHEILA Sort yourselves out, I'm going to bed and I'll show you Sophie, I'll have new set of wheels by the end of the week without your help, you just wait!

2. *SHEILA STORMS UPSTAIRS.*

3. JEAN Has she had to sell her car again?

4. SOPHIE Yeah. Jean, I've got to leave home.

5. JEAN You always say that. It's not that bad.

6. SOPHIE No, I mean it this time. I've got an audition for a film next week. I've got to get it.

7. FX: **SHEILA SLAMS A DOOR UPSTAIRS. [15]**

THE GORILLA SUDDENLY STARTS [16] SINGING 'HOT, HOT, HOT'.

'Party people. Sun fire, feeling hot hot hot'.

8. JEAN What's that?

9. SOPHIE A singing gorilla.

10. JEAN Oh.

1. SOPHIE Do you see what I mean? I'm a mature, independent woman. It's time to go.

(*BEAT*)

2. JEAN Sophie?

3. SOPHIE What?

4. JEAN Have you dyed your eyebrows?

5. SOPHIE No... It's felt-tip.

6. JEAN Why are they different colours?

7. SOPHIE The brown ran out.

8. JEAN When you going to London?

SCENE 2. INT. THE ACTING CLASS. DAY

5. SOPHIE I'm fine thanks.

6. JEAN Well *I'm* not, I'm sweating like mad ere, I've been trapped in a skip trying to get this thing y'know. Did you do your monologue?

7. SOPHIE Yeah, it was amazing.

5. SOPHIE What have you done to your hair?

6. SHEILA I've dyed it. It's meant to look like her on the packet.

7. JEAN I'm not being funny Sheila but that model wouldn't let 'em put this on
her head; it's £1.99 from Pound-stretchers.

8. SHEILA Well it doesn't matter does it; they'll be nobody here to see me soon.

9. SOPHIE Are you going through the menopause again?

10. SHEILA What makes you say that? Just because I've tried to enhance my
appearance? You don't know what it's like being a woman of a
certain age, you just disappear.

11. JEAN Not with that hair colour.

1. SHEILA You wait 'till you're my age and men just look straight through you.
2. JEAN Men never look at me.
3. SHEILA Yes but that's because- (*stops herself*)
4. JEAN What?
5. SHEILA (*To Sophie*) You tell her.
6. SOPHIE I don't know do I?!

1. JEAN Oh cheers! All I've done is come and drop off a wheel barrow that you made me drag out of a skip and now you're giving me Gok Wan advice.

2. SHEILA Well I'm not saying it's your fault. Some women look girly and some women look like they can put up shelves.

3. SOPHIE Mother!

4. SHEILA What?

5. JEAN No, it's alright, I've had enough of both of you, I'm off.

(JEAN GOES TO LEAVE.)

6. SOPHIE What have I done?

7. JEAN I don't think I know you anymore Sophie. You ignored me in the street and then offered my iPad for your dodgy project.

8. SHEILA What dodgy project?

9. JEAN (Blunt) A really tall woman with snake skin leggings and cheap perfume has given her a job on the internet.

10. SHEILA How tall?

1. JEAN About 6ft something (*REALISING THIS IS IRRELEVANT*) but I don't think that's the part of this you should be worried about.
2. SOPHIE I'll only be doing it for a week! She's called Michelle mother, she's a friend from Drama and she teaches French online, I just have to tell her *student* that she's away.
3. SHEILA No. Tell her no, I'm not having that Internet thing in this house.

2. SHEILA To put everything in.
3. SOPHIE What? You can't turn up to a car boot with a wheelbarrow!
4. SHEILA Yes we can.

2. SHEILA We'll have to get some oil for that wheel, it's going right through me.
3. JEAN Maybe if you got out of the wheelbarrow Sheila it wouldn't squeak as much.
4. SOPHIE Don't talk to her, let her just think about what she just done.
5. SHEILA This foot could be broken!!
6. SOPHIE It's your own fault mother, I told you turning up to a car boot sale with no car boot wouldn't work; I'm surprised Car Boot Johnny didn't call the police.
7. SHEILA We didn't do anything wrong!
8. SOPHIE You lied down in the middle and shouted 'justice for women'!
9. SHEILA Well he's a sexist that man, it was a better car boot when his dad ran it, this is our family business he's jeopardising!
10. SOPHIE Can *you* talk some sense into her Jean?!

1. JEAN It was a bit dramatic Sheila, I mean you *just* needed to have mentioned the monarchy or aliens and you would have been sectioned!
2. SHEILA Well if you'd looked where you were going instead of pushing it over my foot!
3. JEAN Oh blame the farmhand, I've been in agony pushing this bloody thing!
4. FX: **IT STARTS TO RAIN. [28 C OUTPUT **START ON THE WORD FARMHAND]**

8. SOPHIE (CONT) I can't rely on going to a car boot every Sunday. Is it such a bad thing to want a better life? To have a dream of living in the capital amongst like minded, creative people-

1. SHEILA We never said- (*notices eyebrows*)

2. SOPHIE What?.... What you looking at?

3. JEAN Sophie, your eyebrows are washing off.

7. FX: CHAIR SCRAPES [32] AS ERNIE SITS DOWN AT THE KITCHEN TABLE.

8. SOPHIE Tea?

9. ERNIE Yes, but just half a cup and then if your mum starts to scare me I can say 'well I've finished my tea now, I'll get off'.

1. SOPHIE I've got a little cup somewhere.

**2. FX: SOPHIE TAKES THE CUPS OUT OF THE CUPBOARD AND PUTS

3. ERNIE Oh even better. So what is it again? I couldn't quite hear what you were saying through the wall; you'll have to shout a bit louder next time. I did put a glass up to it. It didn't work. I don't know why they do that-

4. SOPHIE -I've got an audition for a film Ernie!

5. ERNIE Oh wonderful!

6. SOPHIE And I've got a line, like an actual speaking part. I just want you to listen to it and tell me if I'm doing it right?

7. ERNIE Will I know if you're doing it right?

8. SOPHIE That's a good point actually.

9. FX: SOPHIE POURS THE TEA [33] AND SITS OPPOSITE HIM.

10. ERNIE I might do though, what sort of film is it?

11. SOPHIE I can't remember the title; it's a proper film.

1. ERNIE And who are you?
2. SOPHIE I'm 'third in the queue at Debenhams'.
3. ERNIE Ohh. She sounds like a tortured soul... is she tortured?
4. SOPHIE I don't know? ...She says "Hurry up, we haven't got all day."
5. ERNIE (*Touched, as if the characters spirit is with him*) Yes she is. May I ask, what happens to the poor girl?

10. SOPHIE What?
11. ERNIE Of course, why didn't I think of it straight away..
12. SOPHIE What?

1. ERNIE (*menacing, distant, builds*) It's obvious Sophie, she's in *Debenhams*, she needs to buy *new clothes*... I can see her now.
2. SOPHIE Can you?
3. ERNIE She remembers the blood stained ones in the boot of the car, her lover's blood. But wait -what about the about the tyre marks on the drive? She trembles. Her hands still show traces of him. "Hurry up we haven't got all day!" she cries-

5. ERNIE ITS HER!!!
6. SOPHIE It's my mother!!
7. ERNIE What's she done to her hair??!!

1. SHEILA Oh for heavens sake! I dyed it! Am I not allowed to make one faux pas without everyone having a dig at me! And do not encourage her to go to The Smoke, Ernie, she's on a slippery slope, have she told you about that internet thing? It'll corrupt her if she's not careful, I listen to Radio Humberside, I know what's going on.

2. ERNIE Well I'll be off then. Toodle pip.

(HE GETS UP.)

Mum's broke the boiler today, it's about 200 degrees in the house now and she's walking around in her bra and knickers, she said she used to think fat and sugar was the enemy but now she's realised it's gravity. My hairs gone 'bouffant', I bet you'd do my hair lovely in your salon, I'm going to pop in before I go to the audition, I can't wait..... I finally feel clever enough to come and meet you. Night dad. *(Kisses picture)*, Oh and shall I just say your full name at reception? Yeah? Great.

1. MIRAIM Sorry there's not much there.
2. SOPHIE It's fine.
3. SHEILA I put a fridge magnet in too.
4. SOPHIE Why?
5. SHEILA Just to pad it out a bit. It looked a bit bare. And there's some tissue paper to wipe your hands with, don't let anyone see what you're having to use (*fills up*). I would have liked to have given you serviettes-
.
6. SOPHIE Don't get upset mother. So are you sure you'll go on the Madame Michelle website whilst I'm gone?
7. SHEILA I said yes didn't I.
8. SOPHIE Can I just quickly run through it with you.
9. SHEILA Sophie, I'm not an idiot, I know more about computers than you do.
10. SOPHIE An iPads different.
11. SHEILA I'll change my mind in a minute if you're not careful.

6. SHEILA I know, I know, but I didn't have the heart to come clean did we?

7. JEAN Well couldn't you have picked someone younger like Nicky Clarke or John Frieda?

8. SHEILA He's the only one whose name I knew.

9. JEAN But why a famous hairdresser?

(PAUSE)

1. SHEILA Because when she was younger she hated her hair, she wouldn't believe me. I told her that was the last thing her dad said before he left.
2. JEAN What *did* he say?
3. SHEILA 'Those tiles need re-grouting'.
4. JEAN Fair play.
5. SHEILA I really don't think she'd ask to see him. I wouldn't let her go if I did.
